

## RESERVATIONS

Card details are required to secure all reservations for 9 guests and under. There will be no upfront charge when making a booking of this size. Your card details will be securely stored following regulations. A £10pp charge will be made in the event of a cancellation with less than 24 hours notice or non-attendance. Tables are allocated at random, so we are unable to guarantee multiple bookings to be near one another.

All reservations for 10 guests and above will be secured with a £10pp deposit, which will be removed from your final bill. We allow a 15-minute grace period, after which the table will be released, and you will be charged. This charge is non-refundable. Cancellations can be made up to 7 days prior and amendments can be made up to 48 hours prior to the booking. After these periods any changes, cancellations, or failures to attend will be charged.

Bookings made up until 9:30 are welcomed to dine, drink and enjoy taking pictures or exploring the venue's unique features within their allotted time slot. All bookings made from 9:30pm onwards will be for drinks tables only.
